“The End of the Year Party” Recap At Lombardi’s

On a rainy day, the End of the Year Party was held on Saturday, November 7th at Lombardi's in Mill Creek. The event started with cocktails at 11:30am followed by dinner around 12:30pm. Lombardi's provided delicious appe-

tizers and four main course items that included salmon. After dinner, a special Thank You was given by the President to the Board and members, and awards were given to this year's Event Hosts.

**Holiday Open House
December 12, 2015
Hosted by Charlotte Feller
Continued**

Continued from Page 1:

Club members will have a unique opportunity to stop in for a beverage and a snack and a visit with old, and sometimes new friends. The open house will begin any time after 2 p.m. and ends when the last person leaves. But please—don't all come at once! This is a smaller home and sometimes it becomes a 'standing room only' situation. Plan your day around any other activities you may be doing and just

work it into your schedule as your time permits. There will be punch and many appetizers and sweets to tempt you.

Feel free to bring a beverage of your choice to drink or share if you wish. No need to bring gifts or your own contribution to the food table, but if you just can't walk in the door empty-handed, then bring something to share if you wish. This is meant to be a way to reconnect with friends and catch your breath amid the hustle and bustle of a busy month-- not be "one more thing to do that takes up my time." If you are just too worn out to come, then stay at home with a good book in

front of the blazing fireplace. Either way, it's sure to be a win-win!

Location: Auburn, WA

Directions: From Hwy 18, either direction, take the Auburn-Black Diamond Exit. At the end of the exit, turn left heading into Auburn city limits. This road curves around and through some country roads and crosses the railroad tracks, where it bends to the right. At the stop sign, go straight and continue another four blocks, and turn right onto 4th St. The house is about 7 down on the right-hand side of the street, #1800. Park anywhere on the right side of the street or in the driveway.

Ruminations of a Miata Driver New Cars, New People By Ross Scott

Driving In The Slow Lane

By Ross Scott

I have always been a fast lane driver. I think I picked it up from my dad who would punch it into passing gear when overtaking another car. When he got around, he would look at me and say, "We're the head of the lead!" This could be repeated, depending on traffic. I caught onto the idea even though his syntax was questionable.

There were no four-lane highways back then so passing was an adventure in itself. When a person presented themselves to the car in front, courtesy dictated waving the faster car around when it was clear. Many times the car in front could see around a curve and signal ok-to-pass. I am not so sure I would trust someone these days like that. Too many psychos on the road now. Besides, there are multi-lane roads full to the berm, with the passing lane permanently occupied. This is a good argument for the open Miata road, but everyday practicalities interfere.

One day, just for the fun of it, I decided to stay in the slow lane when I entered the longest parking lot. It was kind of fun be-

ing part of an automotive ballet, with the cars on the on-ramp merging into the line of cars in the slow lane. No hurry here, as no one is trying to cut me off, except to exit. The fast, or passing, lane is not all that fast, and not much passing happens, at least during rush hour. In fact, so many people want to get in that lane, traffic stops to let cars in after each entrance ramp, even with lights to control feed. So, there I am being mellow in the slow lane, being cool.

Of course, unfortunately, I am a chip off the old block. So, when traffic clears and cars spread out, I punch it and move left, looking for that opening that will get me to that mythical, "Head of the lead!"

Rev that Miata!

Puget Sound Miata Club 2016 Parades

Each year, the PSMC supports the Viking Fest Royalty in driving them in several parades. The parades are Viking Fest Parade, Port Orchard Fathoms O' Fun Parade, Kingston 4th of July Parade, Silverdale Whaling Parade, and the Leavenworth Autumn Leaf Festival Parade. These parades are from May to September and are lots of fun. We meet new people, supports the local community, and we are giving our club publicity in driving the Royalty around in our Miatas.

In the past few years, the number of drivers have dwindled to just a few. We are looking for new volunteers to drive the Royalty group. If you would like to be a driver, please contact Mindy Bohnas at fun4sun@wavecable.com or Bill Bell at ar-bill@hotmail.com. We would be happy to have you join us in the next parade.

President's Message

By Bill Bell

Hello Fellow Members:

The Holidays are here and 2016 is just a few weeks away. The board has been busy and has accomplished many things in the last two months. The General Meeting held in October at Milam Mazda in Puyallup, the board scheduled next year's calendar events to include:

- * 1st Tuesday and 3rd Thursday events
- * Detailing Day
- * Parades
- * The Great Northwest Gathering
- * General Membership Meetings.

If you would like to host an event, please contact a board member. Events will be added throughout the year. Please check the web-site for updated events and dates. On December 12, Charlotte Feller is hosting a Holiday Open House beginning at 2pm. Details are on page 1. The next General Board Meeting is January 23 at 11am at Lee Johnson's Mazda in Kirkland. Details are on page 2.

As we close out 2015, this is my last President's Message. Elections were held in October and Ross Scott was elected as the new President. I want to personally thank the board for stepping up and volunteering: Ross Scott, Sean and Pam McGriff, Sandra Wallace, Mike Springer, Frank Shriver, Tom Millar, Vickie Olson, Tom Mackey, and the Parade Coordinator Mindy Bohnas during my terms, and I want to thank everyone who has hosted an event. Without you, the volunteers, we would not be what we are today!

Also, I want thank the membership for allowing me to be your President the last 2 1/2 years. In that time, we have updated the Constitution and Bylaws, added events, and new members. Many of the board members have agreed to continue on in 2016, and help with club events.

In closing, this has been a wonderful and fun experience. I have learned a lot about the club and made many new friends. Some of the best times have been at the social events. I will continue to take pictures, be the Sounder editor, host events, become the Past President and the Vice President until a member is elected in accordance with the Constitution. Thank you for your support the past 2 1/2 years and best wishes to Ross Scott as he takes us into 2016.

Happy Holidays!! See You Next Year!

Nametags

New name tags are now available!

The PSMC Board is excited to roll out our new name tags. These will be sent automatically to members of record upon renewal or when you join the PSMC. The name tags will be included with your membership but only one per member will be included. So, if you have a “navigator” or anyone else who would like a name tag, you will need to order it and pay \$10 per name tag. These will be generated upon receipt of your payment and mailed out to you once they are made.

The name tag is designed on a white background and features the iconic PSMC logo, your name, and along the bottom, on a Kelly green background, the words, “The First Miata Club in the Nation”, printed in white. The back of the name tag has a sturdy magnet fastener so you won’t need to worry about poking holes in your clothing when you wear it.

You are welcome to order as many additional name tags as you wish. To order additional name tags, please clearly print the name you want on the name tag and include a check for \$10 for each name tag to cover the production cost and shipping cost.

- Send 3-5 of your best photos, not 20-30.
- Send us your JPEGs since we need to Photoshop them anyway.
